

In appreciation of FlyRight customers who choose Concord Regional Airport when flying in for training sessions we would like to offer the following promotions for 2021:

- Waive Landing fee for aircraft
- \$0.25 per gallon discount off the posted retail fuel price for FlyRight customers
- \$10.00 off per night discount for Hangar space (*based on space available*)
- Discounted overnight ramp parking while in attendance at FlyRight training center:
  - Single engine – one night free with fuel minimum 10 gallon fuel purchase; \$5.00 per night
  - Twin engine- one night free with fuel minimum 25 gallon fuel purchase; \$10.00 per night

*(Parking must be arranged with Airport admin office in order to receive discounted pricing with confirmation of FlyRight registration)*
